

CHRISTUM DEI – COMPLIED BY MARIA DE MATTIAS

Christ, the Son of God, who with his blood has redeemed us
Come, let us adore him.

All nations, clap your hands, sing unto God with the voice of joy (Repeat)
For you, God, who are glorious and mighty
Have shown unto us your mercy.

You have not spared your only Son but have delivered him for us all.
That you might redeem and free us from our sins in Christ's own blood.

That having justified us in this blood, you might turn your anger from us,
That we, who were far from you, might draw nigh to you
through the blood of your Son.

God, my God, what shall I render you for all that you have given me?
The chalice of salvation I shall take and call upon the power of Christ's
blood.

Sing to Jesus, saints of God, and praise the memory of his holiness.
For Christ indeed has loved us, and in his blood has washed us,
and has become our helper and redeemer.

May Christ be blessed forever who has done for us such wondrous deeds.
Blessed by Jesus for all ages, heaven and earth
be filled with the praises of his love. AMEN
