

Prayer to Saint Maria De Mattias

Saint Maria, faith enabled you to discover in the cross of Jesus and in the gift of His Precious Blood, the incentive and strength for your apostolic commitment. Obtain for us from the Lord an increase of living faith, and help us in our present need.

Saint Maria, you express your adoration of the Blood of Jesus through your prayer and loving service of the “dear neighbor.” Obtain for us from the Father a strengthening of our hope, and that grace for which we have great need.

Saint Maria, yours was a radical and joyous response to the Father, who so loved the world that He gave His only Son for our salvation. Obtain for us from the Lord an increase of love for God and neighbor, together with the grace, which we ask for with confidence.

Glory to you, Source of All Being, Eternal Word and Holy Spirit, as it was in the beginning, is now, and will be forever. AMEN

Glory to the Blood Of Jesus!
Now and forever!
